Wine Education Corporate Event

*Enjoy a sampling of three different wines as your group is taken through our wine education experience, it's a fun activity that encourages teamwork and allows the general public to get closer to the passionate world of wine.

- ✓ How to Properly Taste Wine - Be taught on what to look for (if it is corked). Learn the basics of wine appreciation while sampling different wines that are perfectly paired with meals.
- ✓ Core Structure of Wines - Take in how acidity and tannins influence food
- ✓ Reds vs Whites - Familiarize what compliments each wine and food pairings
- ✓ Progressive Wine vs Singular Wine - Experience tasting a different wine for each phase of the meal or one wine for all.
- ✓ Price Points - Learn about the myths and mark-ups
- ✓ Age of Wine - Pros and cons (what to be aware of when ordering an older bottle)
- ✓ Safe Bets - What are the safe wines for any occasion. Event includes secret wine techniques perfect for executives who are required to regularly wine and dine clients.
- ✓ This specially crafted event would last approximately 3 hours and would include a sampling of three wines and a wine of glass paired with each delicious course.
